okay look i feel it would be irresponsible not to sell another 10% for the benefit of hankinson lab. i am going to do a poll for the next 10 minutes.

if SELL wins i will liquidate another 10%.

i refuse to rug.

this poll won so i am liquidating 50m.

i will take no further action for the next 24 hours so what happens what happens.

i have been on the internet for 30 years and have seen some shit, but this is by far the craziest day of my life.
